

How to Track a Debrief Close Call

1

To track an interview prep call:

- Go into the notes section on a candidates page and click the plus sign.

Once you click the plus sign:

- Under Action put "Debrief Close"
- Under Template select "Debrief Close"
- You can link the note to an open job and also tag a recruiter/sales person in the note by using the @ sign and then typing in their name.
