

How to Track an Interview Prep Call

1

To track an interview prep call:

- Go into the notes section on a candidates page and click the plus sign.

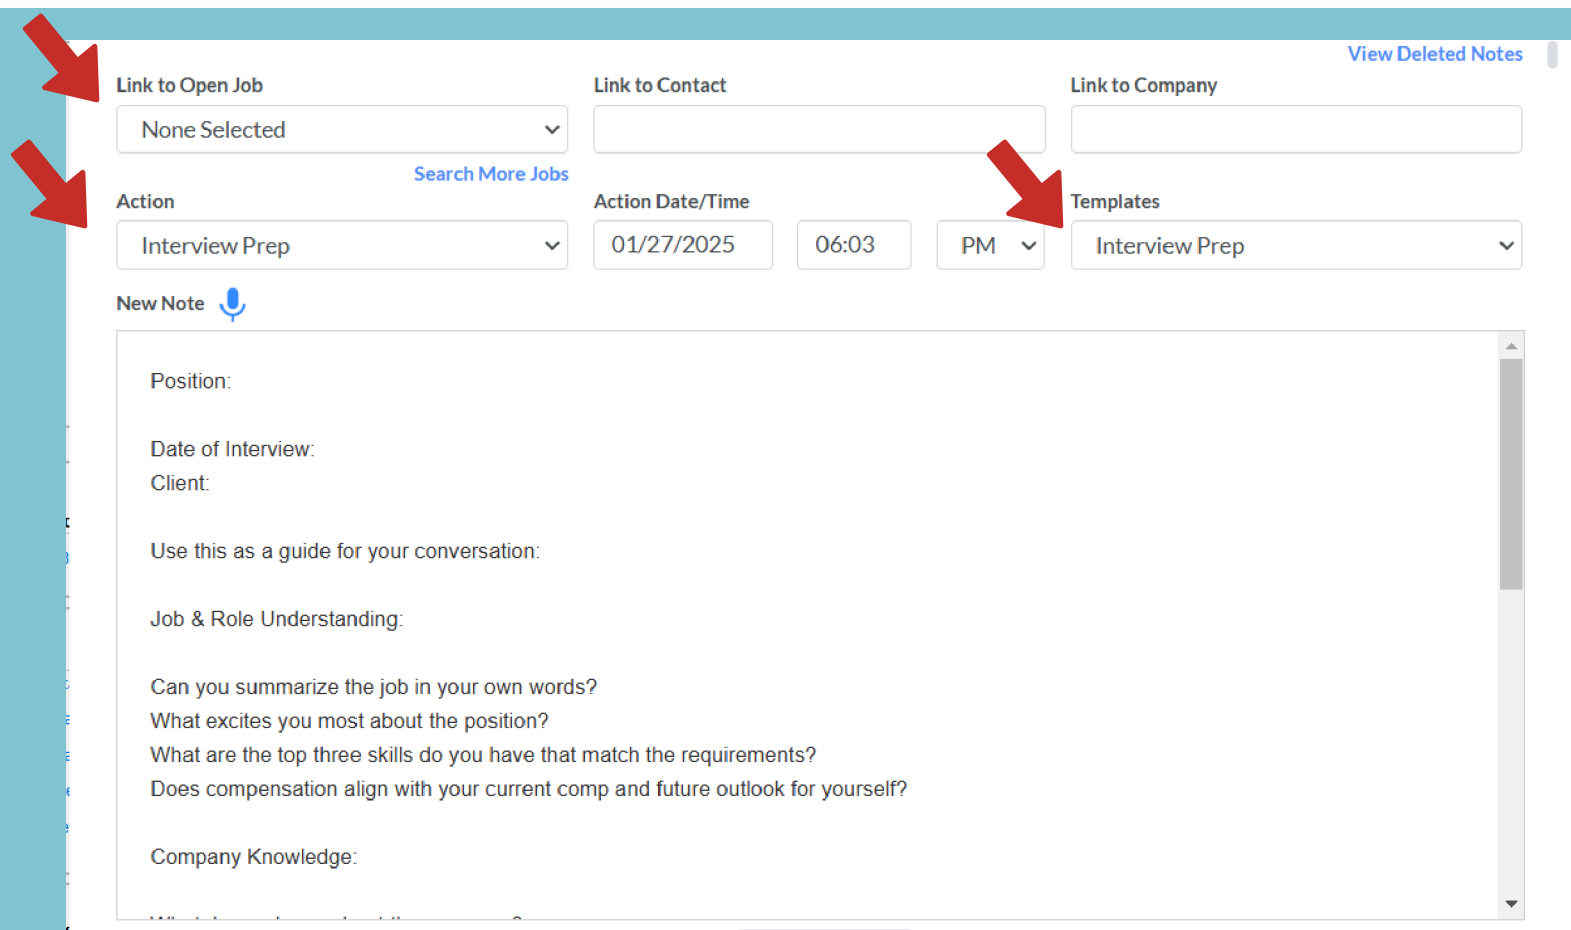

Notes (5+)				
Date	Recrui...	Job #	Note	
01/27/25 17:35	Haley G...	23-07251	Submittal on ...	
11/26/24 12:17	Haley G...		Qualification ...

2

Once you click the plus sign:

- Under Action put "Interview Prep"
- Under Template select "Interview Prep"
- You can link the note to an open job and also tag a recruiter/sales person in the note by using the @ sign and then typing in their name.
