Once you click the plus sign:

- Under Action put "Retention Connect"
- Under Template select "Retention Connect"
- Enter in any info from the call and also tag a recruiter/sales person in the note by using the @ sign and then typing in their name.

Retention Connect

New Note

How are they doing? What's new in life, etc.

Are you happy in job? How's the work, what's new on your team and company?

-If not Happy- Notify Sales Person via phone and email immediately to strategize- see if fixable or not for them to stay on billing or not

Any new openings on team? Any openings on other teams?

Any of your friends or old colleagues looking I can work with?
